

Premium Feed Supplements

# EQUIPRIDE & EQUILIX

*Benefits Just About Everything!*

## **Bridges The Gap In Your Feeding Program!**

Has a blend of Vitamins and Organic Complexed (Chelated) Minerals. You don't need another mineral or salt block.

## **Doesn't Dissolve, Soften, Freeze Solid Or Disintegrate In Any Weather Condition!**

**Has No Molasses Or Sugar!** Horse's attitude calms and he Does Not Become "hot" and yet performs at peak performance!

**You Can Count On Feeding 25% Less Hay!** The horse utilizes more of what he eats – it is predigested (fermented).

## **Has Prebiotic Oligosaccharides And Buffers!**

Combats Colic and Ulcers!

## **No More Cribbing!**

**Ligaments And Joints Heal Better!** I.e.: tendon tears: the Flax helps take the swelling out of the joints and muscles!

**A Beer Blend** (Fermented) Live Alcohol is left in it as a preservative, energy builder. With live enzymes from the yeast blend cultured on a media of wheat, oats, barley malt and flax rich in BIOTIN & other nutrients to aid in digestion!

**Stallions Are Settling Mares Far More Efficiently** – Mares 20+ years old are having foals again – old horses are being revived.

## **Lameness Such As Abscesses, Laminitis, Navicular, Foundering**

are being reduced or often reversed! (Can cut back on the use of bute which can aggravate ulcers!) EquiPride strengthens the hoof, promotes healthy hoof growth – fast!

**Puts A Bloom On The Horse!** Mane, tail and hair coat!

**Supports The Immune System!** Helps the horse combat Tying-Up, Cushings, Wobbles, even West Nile, Colds, Flu, Wire Cuts, etc...
